

A decorative graphic on the left side of the slide consisting of two overlapping parallelograms. The front one is blue and the back one is a light green. They are positioned diagonally, with the blue one partially covering the green one.

# Housing Project Presentation

Ron Lodetti Jr.  
June 29, 2023

# Overview

- Business Problem
- Data & Methods
- Modeling
- Results
- Conclusions

# Business Problem

**Stakeholder:** Real Estate startup

**Problem:** How can we help customers find deals on home sales?

**Context:** King County, Washington

# Summary

## Source:

- King County  
Assessor Data

## Method:

- Statistical analysis

## Findings:

- Square Footage
- Waterfront
- Zip Code

# Data & Methods

- 47,479 Sale Records
- From Jan 2021 thru May 2023
- Average sale price: \$1,009,631

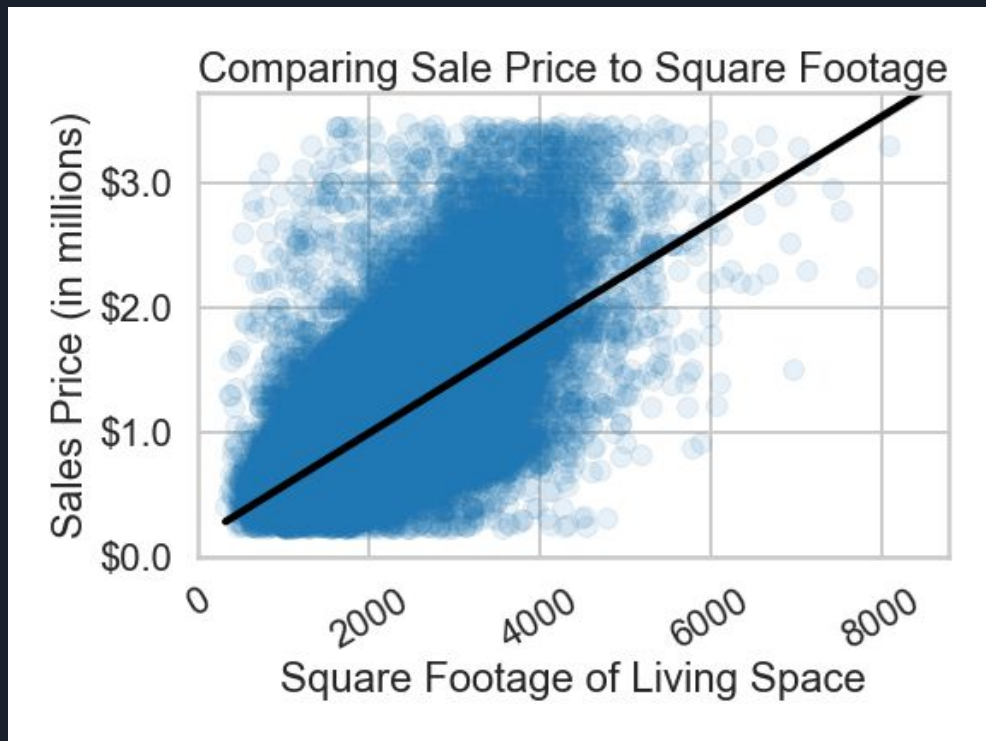

# Baseline Model

Predictor:

Square Feet

Average Error:

\$305,263

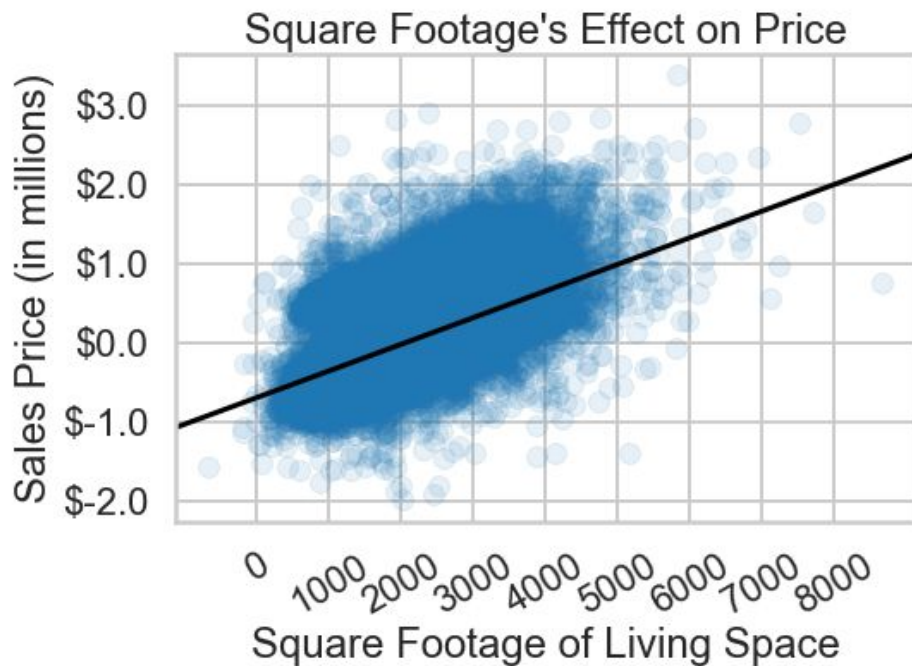

# Final Model

## Predictor:

- Square Feet
- Waterfront
- Zip Code

## Average Error:

~~\$305,263~~ \$196,785

# Regression Results

Cause	Effect
Average Home	\$865,700
+1 square foot	+\$349
Waterfront	+480,200

# Regression Results

# Conclusion

Make housing recommendations based on:

- Square Footage
- Waterfront proximity
- Zip Code

# Limitations

- Model evaluation points to **unaccounted factors**

## Next Steps:

- **Gather more data** to include other factors that determine sale price
- **Create new models** with new data

# Thank you!
